To

The Chief Election commissioner and
Election Commissioners of India,
Office of Election Commission of India
Nirvachan Sadan, Ashoka Road,
New Delhi.110 001.

Respected Sir/s,

I am writing

to you regarding the
necessity for the intervention of the august
body of Election Commission of India in
the matters relating to the All India Anna
Dravida Munnetra Kazhagam party.

Sir, I am a member of the All India Anna Dravida Munnetra Kazhagam (hereinafter referred to as AIADMK) from its inception. I joined the party when it was under the leadership of the late and lamented Bharat Ratna Dr. M.G. Ramachandran. He had appointed me as the Deputy District Secretary, M.G.R. youth Wing, Coimbatore Urban District in 1982. Subsequently, I was called upon by him to contest the election from Kangayem legislative Assembly constituency as the official candidate of AIADMK. I was declared elected in 1984. I served the state till 1988.

Soon after the founder's death, I was aligned with his wife, Late Mrs. Janaki Ramachandran and stood for election in the 1989 legislative elections at Palladam constituency as a representative of AIADMK (Janaki) faction. It would not be out of place to point out that the present chief Minister of Tamil Nadu, Shri. O. Paneerselvam, Mrs. Valarmathi as well as Mr. Ponnaiyyan and several other important leaders of today, were also a part of AIADMK (Janaki) faction.

Soon after the elections, I was also responsible for the unification talks and the subsequent unification itself of both the factions of

IADMK. In appreciation of my efforts in bringing about unity in the party, in 1989, Puratchi Thalaivi AMMA Dr. J.Jayalalitha, till recently, the unquestioned leader of the AIADMK and the Chief Minister of Tamil Nadu, nominated me as the party candidate for Tiruchengode Parliamentary constituency. Under her guidance, I was elected with the second highest number of vote difference in India and the highest number in Tamil Nadu.

I was the representative till 1991 General elections. In all the subsequent elections, I have approached the party seeking for its nominations.

I have continued to be a member of the party and have worked for its growth, development and success in all spheres of my activities. The details are enclosed along with this representation.

Sadly, Puratchi Thalaivi AMMA Dr. J.Jayalalitha expired on 5th December, 2016. Though she was bed ridden till that date, she continued to be the General Secretary as well as the Chief Minister of the State of Tamil Nadu.

As per the Constitution of the AIADMK party, (registered with the Election Commission of India), the post of the General Secretary is

an elected one. Puratchi Thalaivi AMMA Dr. J.Jayalalitha has stood for democratic process in the party and have been elected successfully to the said post. The last of the elections to the post of the general secretary was held on 31st December 2015__

Due to the untimely death of AMMA, the party has been plunged into deep grief and melancholy. In order to enthuse the dejected members of the party, who have lost their unquestionable leader, as a temporary measure, the members of the General Council and Executive Council, consisting of not more than 3000 met recently at Chennai and have nominated Mrs. V.K. Sashikala as a temporary occupant to the post of General Secretary. This is in order to obviate the allegations raised by an expelled member of the party, namely, Tmt. Sashikala Pushpa, M.P. and also taking into consideration, a suit and applications are pending before the High Court of Judicature at Madras.

An assurance was given by the members of the General Council that the elections to the post of General Secretary will be held shortly.

While all the members of the party have been anxiously awaiting the declaration of the elections, Mr. O.S. Manian, a member of the General Council of the AIADMK and the minister in charge of Handlooms and Textiles portfolio, has openly declared that General secretary elections would not be called for till the voter list is revamped. Members of the party fear that using this as a ruse, those who will be interested in contesting the elections would be purged and only “YES MEN” would be declared as members of the party. This would go against the democratic process enshrined in the byelaws of the party.

As a person who has been associated with AIADMK from inception, I can boldly declare that Late Puratchi Thalaivi AMMA Dr. J. Jayalalitha had adopted direct election of party members, inspired by the US primaries. She wanted to ensure that the General Secretary of the AIADMK was always democratically elected. It may not be out of place to point out that out of the 7 crore eligible voters in Tamil Nadu, 1.6 Crores are members of the AIADMK party.

Due to this sudden change in attitude and that too from a highly placed responsible office bearer of the party as well as one in the

Government, I fear that the sacred democratic process put in place by and followed scrupulously by Puratchi Thalaivi AMMA Dr. J. Jayalalitha would be rendered nugatory.

Hence, I make the following request to the Honorable commission due to the special and unique circumstances prevailing today:-

1. Appoint an independent and fearless officer of the election commission of India to conduct the elections, including drawing up of an election schedule after finalizing the voter list, to the post of General Secretary in the AIADMK,
2. Restrain the present office bearers from being removed or replaced, so as to ensure a level playing field, till the holding of elections,
3. Direct the present office bearers not to alienate or fritter away the assets of the party other than those necessary for the regular expenses of the party,
4. Not to decide on any policy decisions till the elections are over including expulsion of any member of the party,
5. I request the Election Commission of India not to recognize the appointment of Mrs. V.K Sashikala Natarajan as “interim general secretary”, appointed on 29th December 2016. Since the

democratic process envisaged by Puratchi Thalaivi AMMA Dr. J. Jayalalithaa has not been followed.

6. The Election Commission of India may treat this representation on priority basis because vacancy to the constituency held by Puratchi Thalaivi Amma Dr. J. Jayalalitha, namely, R.K. Nagar has been notified and the elections to the local bodies may be notified at any moment. This requires an elected general secretary to sign the requisite papers. Therefore, kindly accede to the aforesaid requests and give appropriate directions at the earliest.

Yours most sincerely,

K. C. Palanisamy Ex MP, MLA

WHAT IS THE ANSWER FOR THE QUESTION

RANGARAJ PANDE: Wishes dear friends! We welcome you all to the today's "WHAT IS THE ANSWER FOR THE QUESTION" program. Mrs. V.K.Sasikala is selected as the new General Secretary of the All India Anna Dravida Munetra Kazham. The place where was M.G.R.... the place where was Jayalalitha... new commitment... new post... next... whether she will even become the Chief Minister! to which the political observers sharply watching. How does this posting happened? Is there any hurriedness in this matter? Why Sasikala was being the only option? Does the reason that she is the only option to bring the party in to a single monopoly? Or any external coercion being the reason for that? The mode of this selection held... The challenges facing her... How does the A.D.M.K. move on to the next stage? Including these, there are so many other matters are there. Come on! In today's WHAT IS THE ANSWER FOR THE QUESTION program, the person who was the Propaganda Secretary of All India Anna Dravida Munetra Kazhagam for seven and half years during the time of demised Chief Minister Jayalalitha, the current Handloom Minister Mr. O.S.MANIAN: is with us.

Lot of things are to ask him. Let as ask.
Salute!

O.S.MANIAN:

Salute! Sasikala has been selected as General Secretary. She was being with Jayalalitha. Being with for thirty two thirty six years. Has taken part in all her good and bad. If Mr.Panneerselvam sworn as the Chief Minister, the reason for that could be understood, legal crisis should not arise. Such post should not be kept vacant. Instantly an appointment conducts. So the sworn was conducted in the midnight. But there is no of restriction that the party should not have vacant General Secretary post. There is no problem as legal crisis will arise in such case. Even in the rules and regulation of the party A.D.M.K., it is stated that in case of absence of General Secretary, the person who was appointed formerly as General Secretary may continuously perform their service, until the appointment of the next General Secretary.

RANGARAJ PANDE:

Do you think that, is there any emergent necessity in selecting Sasikala as the General Secretary of the Party in a stage of even no completion of single month from the demise of the demised Chief Minister Jayalalitha?

O.S.MANIAN:

The very important post of All India Anna Dravida Munetra Kazhagam is the LEADING post "General Secretary" post of the Kazhagam... in the All India Anna Dravida Munetra Kazhagam Puratchi Thalaivar M.G.R. had reserved his "Leader" post for Perarignar Anna and kept the Chair vacant and defined himself as the General Secretary of the Party. In the same way Amma continued as General Secretary of the Party. The General Secretary of the Kazhagam is the eligible person to take all the decisions of the Kazham Movement. In case, there is a necessity of making an announcement for the Kazham or to a person to pass an order or convey a message or to put signature for the expenditure of the movement, for all these, only the General Secretary is empowered to do... as per the rules and regulations of our party...

RANGARAJ PANDE:

No... even in your party if my memory is proper it may be 20/5. In that stated that if a time period arise that there is absence of General Secretary, the administrators appointed by the prior General Secretary will continue in their postings. It is stated that continue their service until the next General Secretary is appointed. So you may have selected the

General Secretary in a proper procedural way, isn't it...! The question is that why hurried even within this one month?

O.S.MANIAN:

Any hurry is shown... steadily the Chief Kazha Executives, secretary of each and every District Kazham and District secretary of the party of the Kazham, all parts executives, public, everybody from all creed, further other society and further other class leaders and persons of other movements met Honourable Chinnamma in person and put forth sternly continuously emphasizes her that "You should become the General Secretary... You should accept the leadership of the party." So this is not a swift one or hurried act for other reasons... it is a deed decided firmly very steadily... there is no error in it...

RANGARAJ PANDE:

One day before conducting this General Body Meeting, the husband of Member of Parliament Sasikala Pushpa visits ADMK office. But, he was assaulted severely. What is the purpose? In that case, isn't it be a restraining attempt? Actor Anandaraj stated nothing... but states "What are happening doesn't seem to be correct... I quit". He doesn't comment any one. Even he didn't quoted Mrs.Sasikala's name. He states nothing... threatening with dire

sequences opened on him...Police protection is given to him... So, does a message that 'you can stay until you agree with the leader... otherwise problematic' is passed?

O.S.MANIAN:

This is wrong information... that is at any point of time let the chief executives of the All India Anna Dravida Munetra Kazhagam... or anybody... anybody in the committed post will ask the head and after consideration and behaving calmly in ahimsa way is the lesson we taught from the Puratchi Thalaivar and Puratchi Thalaivi Amma of All India Anna Dravida Munetra Kazhagam. There is no alternates in this.

RANGARAJ PANDE:

Who is the reason for the assault happened in the ADMK Head Office? DMK persons? Whether People?

O.S.MANIAN:

Crewmen... That is one Sasikala Pushpa... one person was even dismissed from the movement. Even dismissed from the basic membership.

RANGARAJ PANDE:

She has been dismissed. Her husband Lingeshwaran is basic member

O.S.MANIAN:

Pushpa is the party otherwise... husband is not at all party...

RANGARAJ PANDE: No... all of her family members are in ADMK... He has got ADMK Member card... He has worked at R.K.Nagar legislative constituency with his family...

O.S.MANIAN: Lakhs and lakhs of Crewmen in ADMK... one and a half crore of them... out of them some quick tempered... some of them get exited on hearing some news... may express as hurriedly... we cannot prevent it...But our...

RANGARAJ PANDE: Doesn't it seem to be saying 'cannot prevent if do so' is encouraging it?

O.S.MANIAN: But our... our opinion is... the police department would have taken action and otherwise... our party's opinion is that the members should not have hurried. But we cannot control the anger of the members.

RANGARAJ PANDE: Police department took action... that action made further more surprise... Sasikala Pushpa's husband was held at the Police Station for about 20 hours. It stated what is the necessity for keeping the victim in the station, informing in the court... No..No...stated that there was threaten to his life... for giving protection itself kept him at Police Station... If there is threaten for life, whether put the persons who are all giving threatening in the

Police Station? Put the person who was affected by the assault in the Police Station?

O.S.MANIAN: No... No... There is fault in your opinion... That is, many persons are angry on him... He is one or two... It is easy to protect one or two persons... It is hard prevent all those get angry...

RANGARAJ PANDE: So, in Tamilnadu if protection is necessary for a person, immediately imprison? Otherwise keep at Police Station?

O.S.MANIAN: The place for keep protection is Police Station the place... other than could be keep at the road...

RANGARAJ PANDE: Then if anybody require protection they may be kept at Police Station...?

O.S.MANIAN: Stating Police Station... It is wrong to make sit on a chair at Police Station? Is the term Police Station means jail? Means Prison? Not at all...

RANGARAJ PANDE: Every one cannot accept police custody isn't it...

O.S.MANIAN: No... If you ask what is police custody, undo all the dress wore and they tie under their custody in that case itself it may be understood as you told

RANGARAJ PANDE: No it is illegal... it cannot be done like that... should not do...

O.S.MANIAN: Nothing like that...

RANGARAJ PANDE: No it is illegal... it cannot be done like that... never should do...

O.S.MANIAN: Nothing like that... nothing done like that... Seated him respectfully and provided him and all that and kept him respectfully... Kept him safely... If let him outside it will be more difficult to him... That is why kept him safely...

RANGARAJ PANDE: So, tomorrow day after tomorrow ADMK crewmen will not get anxiety... They got anxiety on that day only... that is why kept at police station... If the angry continued for say ten fifteen day, he may be kept under remand...

O.S.MANIAN: No... If this act be like that again it may happen... in the absence of his act it will not happen...

RANGARAJ PANDE: He visited ADMK head office that is all... Did not shout 'down down'... Did not shout 'long live'... Did nothing... Video scenes shown in all television... He came out blood shed... Did he shout any slogan? Did he tell anything like dismiss? Did he tell fire? Told nothing... he

comes to ADMK head office...

O.S.MANIAN: That is it... What is the speed of the exited crewmen... He should have behaved like that... should not behave...

RANGARAJ PANDE: Whether the assault should not have happened? He should not have visited ADMK office?

O.S.MANIAN: No No... that is what are all the past happening of Sasikala Puspha... How were her activities... You know... such a person has given interviews in the past to the journals, her attitude, regarding all the crewmen were patient... as they were patient I ought to so thanks to those party crewmen... Such is the act done by her... While we are children I place my hand on your nose... Place my figure... We use to call that are you coming for a fight come for a fight like that... While studying gin the school at our young age... such is that madam will you beat us me? Won't you beat? Will you come for a fight? Won't you come? She constraint us like that she... We kept patient... all the crewmen were patient... Hence in their incident, the All India Anna Dravida Munnara Kazhagam crewmen themselves kept calm...

RANGARAJ PANDE: So I understand that coming out bloodshed is the sigh of your patience... Next coming...

O.S.MANIAN: It is not like that... patience means... I did not mean like that...

RANGARAJ PANDE: He came like that... He came like that...

O.S.MANIAN: That is what I am telling... His...

RANGARAJ PANDE: A person is coming bloodshed... If you are stating that your patient, we could not understand...

O.S.MANIAN: No... It is the wish of the persons like me is that the Police department has to take action on them legally... Could not control the feelings of the crewmen... What could we do for that...?

RANGARAJ PANDE: Does the appointment of Sasikala is a unanimous one? Are murmurings and rumblings arise and are they controlled?

O.S.MANIAN: Honorable Puratchi Thalaivi Amma... Puratchi Thalaivi Amma will be selected as General Secretary you may have the happenings in the year 1989 in your memories... What type of state occurred? Kalagam broke into two... The chief Kazha executives, many of them there... many of them here... Ministers some of them there... some of them here... Crewmen some of

them there... some of them here... Executives many of them there... many of them here... that is what we saw... But today there is no ante opinion Chinnamma is to become the leader General Secretary agreed by all without small rumbling.

RANGARAJ PANDE: You are being in ADMK even from the period of M.G.R.... In the very first beginning you are being the first phase member... You told as 72... Whether M.G.R. is big leader? Or Jayalalitha is big leader?

O.S.MANIAN: The period of Puratchi Thalaivar is different... the period of Puratchi Thalaivi Amma is different... The situation in the coming forth period is different...

RANGARAJ PANDE: No... What I ask is, as you have seen both the leaders, and you say out of them who is big personality? Who is having power among people?

O.S.MANIAN: According to us, both of them are like two eyes...

RANGARAJ PANDE: The reason why I am asking this question is that when M.G.R. died, the party broke into two... On the death of Jayalalitha the party is staying unique... What is the reason?

O.S.MANIAN: I could not understand what you ask...

RANGARAJ PANDE: What I am ask is that there is four and half years of reign is remaining is the recent for your unity...

O.S.MANIAN: Not that... Not that... that is Puratchi Thalaivar...

RANGARAJ PANDE: After the demise MGR, Janaki forms a temporary Goverment... Thereafter it was dissolved... majority cannot be proved... problem arises... broke into two... President rule was called... running under the readership of Governor... In 89, DMK comes to rule... everything happened... in the time the party which segmented that much... today even a union counselor has not resigned if so, four and a half years reign is remaining. Local body election is coming... next parliamentary election is coming... this reign period is the reason for unity...

O.S.MANIAN: No... Not Like That... After The Demise Of Puratchi Thalaivar, All India Anna Dravida Munetra Kazhagam Cleft Into Two... Symbol was restrained... party faced election and met with big failure... All these lessons are learnt... that lesson is for the crewmen and executives of All India Anna Dravida Munetra Kazhagam...

experienced as one... besides that during the period of Puratchi Thalaivi Amma, she has shaped and formed into good level... All these accumulatively made that there should no spilling up with the leadership today... For that Chinnamma should take commitment is there unanimous opinion of the crewmen.

RANGARAJ PANDE: May know in which posting of the party does Mr.Sengottaian being at present? I forget...

O.S.MANIAN: Now he is... Amma has dismissed him from posting...

RANGARAJ PANDE: May know in which posting does Mr.Panrooti Ramachandran remains in the party...?

O.S.MANIAN: Now he is the chief station news communication in charge...

RANGARAJ PANDE: Both of them are seated in the front row on the stage nearby the Chief Minister during General Body and Executive Body of ADMK isn't it seems to be telling some message...?

O.S.MANIAN: No... he is elder party man political party man his Panrootiyar... likewise Annan Sengottaian also came to the Kazhagam during the period of Thalaivar and subsequently being member of legislative council from that day till today he is being member of legislative council and minister and committed with

various posting in this party and was at the place of doing all duties nearby Puratchi Thalaivi Amma... and during the election time for the purpose of Puratchi Thalaivi Amma's travel...

RANGARAJ PANDE: Her tour particulars...

O.S.MANIAN: Yes... compiling the tour particulars and taking her thereby, such a confidential and a best executive... hence it is not wrong to give respect to the elders....!

RANGARAJ PANDE: No... I did not say it is wrong... it is your party matter again.... doesn't it create a surprise? How they were fully confidential person of the Jayalalitha he was released from the party posting by her... himself was not made as minister... in case Jayalalitha is alive he could not come to stage and could not sit in the first row on the stage Mr.Sengottaian is...

O.S.MANIAN: I wish to tell one thing from your question... if Panrootiyar and Sengottaian Annan were not nearby would you have asked why haven't them seated nearby?

RANGARAJ PANDE: On the day you may have answered very easily... may have stated that Speaker is there...Treasurer is there... the elder executives are all there... the persons who are not Speaker or Treasurer or Executive or being seated in the front row. In that

case there are 15 news agent... all news agent cannot be seated in the first row... nearby Chief Minister... nearby Treasurer...

O.S.MANIAN: No... you left one person... Ponnaian Annan was also sitting in the front row

RANGARAJ PANDE: Yes... I am also asking it too.

O.S.MANIAN: Yes... that is elders are given respect... that is all...

RANGARAJ PANDE: Doesn't seems to be telling a message...

O.S.MANIAN: Elders who are experienced in politics...

RANGARAJ PANDE: No... it is an attempt of compromising with a person who could raise the voice of un-satisfaction...

O.S.MANIAN: Not at all... Sengottaian Annan has insisted that this commend is coming wrongly for one week ten days and will go to the court legally. I will take court action who are defaming against me... he told so... he is not a person like that to be commended as such...

RANGARAJ PANDE: On the demise of Chief Minister Jayalalitha when laid on Rajaji Hall, the relatives of Sasikala there, subsequently they are continuing so, do you think it shall make an acceptance among the crewmen of ADMK?

O.S.MANIAN: That is Puratchi Thalaivi Amma was being with

Chinnamma at Poes Garden... this one is well known to everyone... Amma has demised... funeral pyre is going to be conducted... Chinnamma is at a state of highly sensitive...

RANGARAJ PANDE: In a loss...

O.S.MANIAN: In a loss... whether strengthening her by accompany to give water... be with... not only even possibility to faint... and hence it is not a mistake that the relatives stay nearby during the bereavement.

RANGARAJ PANDE: No... if could be understood if stay with during the bereavement...and that day itself it may be Gokulaindra... may be Valarmathi... further upto Noorjahan there are hundreds of women are there... elder persons like you...still you are considering her as a mother and calling her Chinnamma from your core... thousands of human who are considering like you... all of them are remaining there... so I don't know whether it would be viewed as on incident...ok even we consider that it is an one-day-incident, even today also Dr.Venkatesh and TTV Dinakaran are going wherever Mrs.Sasikala is going... a staying at all places... it could be seen in all scenes from photograph upto video graph...would it be suits Jayalalitha...?

O.S.MANIAN: He does not take it as a big disqualification that Puratchi Thalaivi Amma dismissed...

RANGARAJ PANDE: Mr.Manian what happen to you...?

O.S.MANIAN: I am coming... myself too...

RANGARAJ PANDE: Would you say that dismissed by Jayalalitha is not at all a matter?

O.S.MANIAN: I am coming... yes...

RANGARAJ PANDE: It is not at all a matter that dismissed by Jayalalitha... it is not a matter... it is not to be considered...

O.S.MANIAN: That is what I am coming to tell you... that is Amma has also set aside me from the district secretary posting...

RANGARAJ PANDE: Relieving is different... dismissing is different...

O.S.MANIAN: That relieving...

RANGARAJ PANDE: To my knowledge you were not being dismissed from the party...

O.S.MANIAN: Relieving is the same... as well as dismissing is also same... according to our party...

RANGARAJ PANDE: How could you state so...

O.S.MANIAN: Almost the same....

RANGARAJ PANDE: Whether life sentence and death sentence are the same?

O.S.MANIAN: It doesn't make any difference...

RANGARAJ PANDE: Whether life sentence and death sentence are the same...?

O.S.MANIAN: It is different... in our party postings, if Amma takes an action it could be considered the same by the crewmen...

RANGARAJ PANDE: No... today almost all the executives in ADMK to have undergone any such actions... almost all executives... in some circumstances undergone for a short period... I am not mentioning that... relieving from a post and dismissing from the party what I am telling is until the final breath he remain a dismissed one...

O.S.MANIAN: TTV Dinakaran who you state was proposed in the election as parliamentary member by Puratchi Thalaivi Amma...

RANGARAJ PANDE: Dr.Venkatesh was being placed in Pasarai... both were being the executives....

O.S.MANIAN: He was the Secretary in Amma Peravai... that is why he was being in party posting too... being executive... now Puratchi Thalaivi...

RANGARAJ PANDE: No... it is past time isn't it... do not deny... they are all being with... they have got the confidence of Jayalailatha who was the Chief Minister... I did not deny all that... but let us look which one is latest... after 2012 after 2011 December till 2016 for the 5 years they have not been admitted even a single day...

O.S.MANIAN: No... that is the term that 'dismiss from the party' according to Anna DMK is that any day Amma may admit... the term 'dismissed' means according to Amma is...

RANGARAJ PANDE: No... I am also telling is the same... you very well know the difference between relieving and dismissing...

O.S.MANIAN: It is correct what you are telling... whether dismissed are relieved, both are temporary actions...

RANGARAJ PANDE: You might have remained... while Mrs.Sasikala again added with the party gave a letter... in that she has stated that without her knowledge conspiracy has been made against Akka using my name... she has recorded... the word conspiracy his the word expressed by Sasikala herself...the word without my knowledge... in that case, is it correct that the them accused staying with... this allegation is stated by her not by me...

O.S.MANIAN: As we don't know whether she mentioned about whom...

RANGARAJ PANDE: It is who was dismissed isn't them...

O.S.MANIAN: Doesn't who ever have been dismissed... the cannot particularly mention anyone...

RANGARAJ PANDE: No... that almost 14 plus 5 19 person belong to the same family... starting from Natarajan from Kulothungan all are from Mahadevan, belong to the same family...

O.S.MANIAN: Amma's anger is not a permanent one. Amma's anger is very much temporary one...hence you cannot take that anybody is set aside... at any time may be called... at any time may be talked to... at any time may give posting... at any time may honour... at any time may nominate for election... at any time may appoint as Minister... it was happened so

RANGARAJ PANDE: So may it be understood that all these person have possibility to be acquired with ADMK... may it be understood that who are dismissed by Jayalalitha may be acquired by Sasikala...

O.S.MANIAN: It is the decision to be taken by Chinnamma

RANGARAJ PANDE: He would think that there is no mistake in acquiring...

O.S.MANIAN: The decision taken by Chinnamma will be accepted by the party members from their core.

RANGARAJ PANDE: I don't think that even now if this 19 person are admitted, ADMK person come as audience and retaliate... because I see ADMK as a well controlled party... but if I say among the public among the viewers from the outside that only comment is on them, could you deny it? Now whether Sasikala may from there or not if so anybody would say that let her be come and nobody is going to say that she should not come... if the reason stated for that she should not come, again there is a conflict that family politics is raising. Only one point is there that you think that reservation is for common man...

O.S.MANIAN: That is Hon'ble Chinnamma has taken the decision which may suitable, correct for All India Anna Dravida Munnetra Kazhaga crewmen she took such decision for the past 33 years from the period of starting of friendship during the reign of Puratchi Thalaivi Amma and all these period was facing all the good and bad hikes and falls victories and failures and even went to the jail... hence we have nothing to tell her... she will fulfill the best way that the ordinary crewmen wish...

RANGARAJ PANDE: After resolution was made in the General Body meeting, within minutes the banners around are

changed... within minutes new banners emerged... even the Chief Minister and party Treasurer Mr.Panneerselvam reached Poes Garden with the said resolution's copy... within that all the banners were changed so what already decided was enforced... this matter doesn't seem to be discussed whether such appointment may be made by General Body meeting... what already decided was ended just as an announcement... if said so would you deny?

O.S.MANIAN:

Not like that...the joined our Chinnamma and Puratchi Thalaivi Amma and placed banners and hoardings throughout Tamilnadu... even then when such banners were placed, Hon'ble Chinnamma herself ordered that except Amma's image my image should not be there in any banners... then the removed Chinnamma's image throughout the country and placed Amma's image only... out of that some were some body may have erected the banner which have been already reduced and otherwise it is wrong to state that banner has been said in all places... it is not so...in some places somebody may have placed those old banner occasionally and otherwise there is no preplanned are pre - announced activities there... don't talk such imaginary way...

RANGARAJ PANDE: The matter which created surprise in the resolution is that they stated Chief Minister Jayalalitha's Birthday should be declared as Farmer's Day...

O.S.MANIAN: Already to Charansingh...

RANGARAJ PANDE: Already December 23rd is announced as National Farmer's Day and followed as such... Charansingh former Prime Minister's Birth Day is being celebrated... now itself passed December 23rd... is it correct to state again the same thing as a proper insisting?

O.S.MANIAN: No... it is well known that national day is been celebrated... the specialty of Amma is that whenever she happen to mention herself, she used mention herself a farmer... she has brought the huge Cauvery Water dispute to a just conclusion... she has given lots of welfare schemes to the farmers...

RANGARAJ PANDE: No... I understand that... but how do you think that you can implement an already existing Day... as your being a Minister... you tell... already there is a farmers' day... as such could be announce another day as farmers' day? or December 23rd is not celebrated Charansingh... can we say it is celebrated for demised Chief Minister Jayalalitha? What do you think how to implement this...

O.S.MANIAN: No... what you say is correct... our wish is that to

bring the birth day of Jayalalitha Honouring as farmers' day...

RANGARAJ PANDE: So let the Central Government takes care how could implement that...

O.S.MANIAN: It should be taken care by the central government itself...

RANGARAJ PANDE: OK another matter which created surprise is that another resolution was passed claiming Nobel Prize should be awarded...

O.S.MANIAN: That it should have been given during the life time period...

RANGARAJ PANDE: May have known that... Nobel Prize is not being awarded to any demised person. That is the only reason that Mahatma Gandhi was not awarded with Nobel Prize. Because when on perusal, Mahatma Gandhi died in that year... So whether the idea that if a chief keeps happy a minister and other minister who are all in a position of law making cumulatively claiming for Nobel Prize? Then which one is possible? Which is not possible? Won't it be considered...

O.S.MANIAN: No... not like that it is well known that Nobel Prize should be nominated before death... but for Nobel Prize... for a honor to Nobel Prize, by granting Nobel Prize to Puratchi Thalaivi Amma itself would honor

'Nobel Prize'... we should have applied even before demise... applying aftermath is not a big matter... making change or correction in it is not at all a grammar mistake...

RANGARAJ PANDE: Sir... in case of yourself being state government you may correct it sir... correct it as state government sir... this is concerning foreign country this is awarded by another country... another structure is awarding this... there by till date they have not awarded against those rules... Even a single person is awarded in the history...

O.S.MANIAN: We ask to give... They have to rectify to give...

RANGARAJ PANDE: You are placing an impossible matter as a claim.... I wonder what is the benefit...

O.S.MANIAN: It is not impossible... it is not wrong in asking for exemption...

RANGARAJ PANDE: So you are involved in such attempts...

O.S.MANIAN: Sure, we will

RANGARAJ PANDE: A question made a funny surprise... There are totally 41 pages in the General Body resolutions... Out of that a resolution was made in page 14... it is being 5th resolution... totally 14 resolutions are made... everything totaling to give 5... Is 5 the lucky number of Sasikala... What is the reason...? 14. 41.

5. 41 page...

O.S.MANIAN: Not anything like that... This has been naturally set...

RANGARAJ PANDE: Does occur such occasionally... at 5 places... 14th resolution, 5th resolution 41st page 14th page...

O.S.MANIAN: For instance five fingers in right hand, five fingers in left hand, five fingers in this foot, five fingers in that foot... if ask how is this? It has formed naturally...

RANGARAJ PANDE: In the middle there was a big comment there is a Legal conflict in selecting her as General Secretary ... as such ... because what is stated in the rule of your party ... all the basic crewmen of All India Anna Dravida Munnetra Kazhagam That is One Crore 54 Lakhs 727 crewmen existing throughout India can jointly elect the General Secretary ... It has not happened until this election starting from MGR, from Ragavanandham later from Jayalalitha change after change made on dates but election was not conducted... but as the one crore 54 Lakhs persons can vote and select General Secretary ... here an appointment is properly arranged... it was stated that until even selecting an usual ordinary General Secretary ... so due to think that there is a legal conflict for Sasikala to continue as a General Secretary...

O.S.MANIAN:

This is a nice question ... that is sir, its rules and regulation of All India Anna Dravida Munnetra Kazhagam General Secretary may be elected by crewmen ... another point in this matter is that when the election is conducted once in five years the chief Kazhagam will prepare... prepare for what is that the party membership cards in current will be cancelled ... thereafter new application forms will be issued throughout the country ...

RANGARAJ PANDE: Once in five years?

O.S.MANIAN:

Once in five years... New application form will be printed such application form will be issued, filled up by the crewmen , cards will be issued to everyone and after confirmation that everyone has got cards, election will be announced and General Secretary will be elected . This is the procedure of our party ... How long will it take to do this.... could it be done right now....? cannot be done. So, as per the rule 20 (2) of rules and regulation, today we have emergently arrange General Body meeting and today unanimously the General Secretary is elected. Conducted as per law... The virtual thing is that which has happened casually

RANGARAJ PANDE: In my memory it is 14th resolution... it is stated That is the party should act in a controlled manner... act unity should not fall prey to others

conspiracy ... where does come conspiracy ... control and unity of the factors should be arrived by passing a resolution?

O.S.MANIAN: That is, it is not unknown to you even when Puratchi Thalavi Amma admitted in the hospital someone from the opposite side important persons stated that there will be a change of rule within three months...hence it is necessary ...

RANGARAJ PANDE: Whether control or unity, will it move out with the influence of other party personals ? Isn't true that ADMK is a military control like party?

O.S.MANIAN: No, not like that ... That is I have confidence... I can keep open the box inside my house... nobody enter in... since nobody will take it..but suppose something happens, you will ask why haven't you locked it...hence at least for your sake I have to lock it.... that has been happened now.

RANGARAJ PANDE: She has become the General Secretary of ADMK... sworn the posting...unanimously resolution was passed... as the next stage, does Mrs. Sasikala wish to become the Chief Minister

O.S.MANIAN: Puratchithalaivar M.G.R. and Puratchithalaiv Amma at the same time got the postings of General Secretary of party as well as Chief Minister...

RANGARAJ PANDE: Mr.M.G.R. has given to others too...

O.S.MANIAN: That is, party's founder leader is himself... he is the chief minister... Puratchithalaivi Amma was General Secretary was Chief Minister... as the power is in a single place, execution can be done. There will be no hurdles. Things will be proper...

RANGARAJ PANDE: So does it become two power centers... Mr.O.P.S. as a power centre...and Sasikala as another power centre, does ADMK having two power centres...

O.S.MANIAN: In ADMK there is only one power centre at any time... two centre or three centre or four center will never occur... being only one person is the best.

RANGARAJ PANDE: Thus, your wish is also that Sasikala should accept the Chief Minister post...?

O.S.MANIAN: Sure...!

RANGARAJ PANDE: Will Mr.O.P.S.'s wish also be the same...?

O.S.MANIAN: Sure...

RANGARAJ PANDE: Then what will happen to his Chief Minister post

O.S.MANIAN: This is not a new one at all... he already was as a Chief Minister. Thereafter being finance minister. Likewise he is now the Chief Minister. Again he will go for responsibility.

RANGARAJ PANDE: Regarding this two times question has been asked with Mr.Panneerselvam... Once when General Secretary post was given to Sasikala at the entrance of Poes Garden Home, and while met with the reporters at Delhi... For the two times when asked Mr.O.P.S that they are asking Sasikala for Chief Minister posting... what is your reply... for the two times Mr.O.P.S gone without replying. So is the Chief Minister has any alternate ideas with this?

O.S.MANIAN: That is who first came and insisted Chinnamma to become the General Secretary is himself...

RANGARAJ PANDE: For the purpose of making her General Secretary everybody has gone... he has given a announcement too...

O.S.MANIAN: Yesterday also...

RANGARAJ PANDE: He gave an announcement that if anyone deny her to become the General Secretary, he may not be an ADMK personal... I do not object... but even in that announcement he did not mention about Chief Minister Post...

O.S.MANIAN: Opinion is only one... there is no other opinion in that...

RANGARAJ PANDE: As if like M.G.R. and Jayalalitha if the only center point of the party is Sasikala, the comment put forth on ADMK that ADMK is an individual person

centered and worshiping party is it a correct politics? Don't bother about politics comments?

O.S.MANIAN:

That is, I expected that who may ask such question... even from the beginning of All India Anna Dravida Munetra Kazhagam we have praised and adored Puratchi Thalaivi Amma as our heart, our family god and redeemer. What did you the politics commentators, media comment on this? You said that the Anna DMK crewmen and executives are made us slaves. Actually it is not so... we are prone to the motherly love of Puratchi Thalaivi Amma towards us. That is the fact... Till date the same state is continuing... at any time in All India Anna Dravida Munetra Kazhagam...

RANGARAJ PANDE:

Do you think that Sasikala has replaced the place of Jayalalitha... fully from beginning to end in all aspects...

O.S.MANIAN:

100 percent...

RANGARAJ PANDE:

So same power centering, same type of adoring, same type of center point, everything is going to the same...

O.S.MANIAN:

The Chinnamma who has sworn as the General Secretary is also viewed as a mother by us... she has no other heirs... we are the heirs of Chinnamma... Chinnamma is our Amma... her

orders will be of the welfare of the party, towards the welfare of crewmen... there is no second thought in it... how it was during the period of Amma, so it will continue as such...

RANGARAJ PANDE: Will Sasikala contest in Radhakrishnan Nagar R.K.Nagar...?

O.S.MANIAN: It is the decision she has to take...

RANGARAJ PANDE: No... to become the Chief Minister should become MLA...

O.S.MANIAN: We wish...

RANGARAJ PANDE: Sasikala should contest in R.K.Nagar...

O.S.MANIAN: We will wish... that to contest in the election... she will decide whether it is R.K.Nagar constituency are which constituency...

RANGARAJ PANDE: Today having very powerful... As not in the history of Tamilnadu Legislative Council Assembly we very much powerful Dravida Munetra Kazhagam and do you think could it to be faced by Sasikala... Do you think that Sasikala has a same excellence which Jayalalitha had...

O.S.MANIAN: Everyone states that our Chinnamma is with Puratchithalaivi Amma for 33 years... but even from 84.. even from 83 itself she is with Amma... such a customized friendship, sharp thought about her is

well with Chinnamma... Both are not different.. to body and one soul... Chinnamma and Amma were being Arthanareeswarar (respective half body of couples entangled) and otherwise there not as two persons...

RANGARAJ PANDE: No... haven't you ever seen her politics activities till date...

O.S.MANIAN: We have seen...

RANGARAJ PANDE: She may have advised you in forming the strategy in the background, serving in the party and in some other things given some advise ... as Mr. Thambidurai quoted that Jayalalitha herself has advised to ask Chinnamma...

O.S.MANIAN: Even told me...

RANGARAJ PANDE: OK at that time there may be strategies... but talking in the outside delivering speech in the stage proclaiming announcements in the public talking about the strategy of ruling of the party... A surprise is existing that how will she act in those matters...

O.S.MANIAN: That is Her proceedings will be 100% best more than what you expect, the hundred percent will be as if Amma's Xerox copy ... you need not worry

RANGARAJ PANDE: In an announcement there may be others aid... All of

them will prepare and submit to her and she will continue as a final deciding authority...but how will be her attitude talking amidst the public, talking on the stage....?

O.S.MANIAN: Surely, it is not at all a tuff one...herein we all of us were once upon a time being union Secretary and in that period we used to arrange the stage and sit down stage... even when I was the District Secretary there was a tight corner to talk on the stage... we talk on the stage for one hour... talking for two hours... it is just delivering the experiences...

RANGARAJ PANDE: This is the duty of field workers like you...

O.S.MANIAN: No... delivering the experiences itself...

RANGARAJ PANDE: Dravida Movements were developed by means of speeches itself... motto...persons who are standing in the field are all attracted by the speech and they will control them for hours...won't be there such an expectation...?

O.S.MANIAN: That is contents are important hereby and otherwise dialogue is not important... the only one is that whether the delivering ideas are correct? otherwise rhyming are talking with a good memory with enriched imaginations are not the subject matter...

RANGARAJ PANDE: Jayalalitha's elder brother's daughter Deepa has expressed her politics wishes... is there any place for

her in ADMK... future in the ADMK... will she be added if she voluntarily arrives or she is a person to be avoided? what is the strategy of ADMK about that ?

O.S.MANIAN:

That is there is no necessity for the person to get the application form and card from the chief Kazhagam who wish to become a member in All India Anna Dravida Munnetra Kazhagam... Through the present Electronic Media, in Electronic method they can take their own card... They can apply themselves and take the cards... there is no bar to anyone to become a member... in Anna DMK there is no such banning.

RANGARAJ PANDE: But she is not a member in ADMK she ...

O.S.MANIAN:

No... she is not a member... It is not only... It is not a problem that she is not a member ... one who has not obtained the love of Puratchi Thalavi Amma... hasn't got the care... Amma has not even visited her marriage... she may have called them and wished the couples, but not... don't no why, but she dislikes...she left her...

RANGARAJ PANDE: The action against Sasikala's relatives is a temporary one... but the action by Jayalalitha against her own relatives is permanent...

O.S.MANIAN:

that it is a relationship between the Amma and that

girl and we don't know what... our vision ... in our vision she has not come...at any place she has not fall in our eyes...

RANGARAJ PANDE: In the ADMK ruling the very big surprise matter, the matter which was the talk of the country, which has not been ever happened in the history... In the chief secretariat in the chief secretary room raid conducted ... Income tax raid was conducted... This is ADMK... Even viewed as that the ride against one individual person Ram Mohan Rao, even Income Tax raid is conducted in the Secretariat, do you think that this is a backing of the Government...?

O.S.MANIAN: There is nothing there that Advocates may present that legally it should not be done... raid should not be done. That it is the opinion of the advocates but as per the custom the Central Government may avoid this raid...

RANGARAJ PANDE: So, you think that the Central Government has crossed its border

O.S.MANIAN: Crossing the border itself is the act of crossing the border... but crossing the custom is the correct term...

RANGARAJ PANDE: OK finally one question ... The High Court Justice Mr. Vaithyanathan raised a question... there are so many suspicious in the death of Jayalalitha who

demised as the Chief Minister of Tamil Nadu ... Media is stating a lot... Even myself have so many suscipiousion of my own...Will the truth come out if dig again? he is asking at least even now itself disclose the fact... don't you feel that the State Government is in a place to answer...?

O.S.MANIAN:

A patient, let it be you or me or let anyone, if we ask the nature of the disease affected them is to be published, it will be published only with the permission of the same person, otherwise it cannot... Even then as being the Chief Minister there should be no restlessness in the country... people should be clam...people should be in peace ... for that itself our Health Minister has expressed his opinion... Secretary has expressed... Governor has expressed... Hospital Executive has expressed... Everybody has expressed their opinion... what is there not commenting on this...

RANGARAJ PANDE: We have seen the video of MGR in Brooklyn Hospital...

O.S.MANIAN:

He is a male... Amma is a Female as she enters in the hospital she will be gown ... such that seen will be... when she recuperate all of us will go to her

home... we will see everyone in a happy mood she was being in such an idea. This is virtual...

RANGARAJ PANDE: Finally one question.... instantly Local Body Election is to come... New Leadership... New administration ... In the periods Local Body Election fall in the year 2011 All India Anna Dravida Munnetra Kazhagam under the leadership of Jayalalitha attained a big success...The local body Election after year 2017 may be in the first quarter, I think so... How ADMK will face it....

O.S.MANIAN: Regarding the public they are in a thought that Puratchi Thalavi Amma is still living.

RANGARAJ PANDE: As if MGR

O.S.MANIAN: Yes, we have a longing that such a Chief Minister would be gotten ... for the failure of that longing... the public of the country are not ready to withdraw the support given to the All India Anna Dravida Munnetra Kazhagam... Amma has told that All India Anna Dravida Munnetra Kazhagam will continue its reign for centuries even in my absence and passed away. Amma's words will fall true... it will happen... All of us are going to see it...

RANGARAJ PANDE: Thank you minister Mr. O.S.Manian... Thank you for that you have shared your time and ideas with us... our best wishes to you for fulfilling up of your aims...

O.S.MANIAN: Thank you...!!!
